

Two abstracts accepted as a poster presentation for the ISPD congress in Vancouver

Peripal AG is proud to announce, that 2 abstracts have been accepted as a Poster Presentation at the 17th congress of the International Society of Peritoneal Dialysis (ISPD) 2018 in Vancouver.

We were just informed by the paper selection committee, that the following abstracts have been accepted:

- Development of a novel connection device for patients on peritoneal dialysis
- Need finding in peritoneal dialysis with “mobile eye tracking”

Peripal AG is looking forward to presenting the topics at the congress of the International Society of Peritoneal Dialysis taking place from 5th – 8th of Mai 2018 in Vancouver.

About the ISPD

The purpose of the ISPD will be to advance knowledge of peritoneal dialysis and to promote advancement of such knowledge through international scientific meetings and scientific publications. The Society is organised exclusively for educational and scientific purposes.
